

CHC43015 Certificate IV in Ageing Support

Build your skills and knowledge to take your aged care career to the next level.

The Aged Care and Home Care fields are expanding and career opportunities are growing. To make the most of the fastest growing industry in Australia you need to develop deeper and advanced knowledge and skills.

This qualification will develop you professionally to further innovate and develop solutions to;

- empower older people
- provide personalised support to people with dementia
- facilitate partner relationships with carers and families
- provide individualised services that improve the lives of older Australians.

Government incentives available*

Course Description

This qualification is targeted for those employees and jobs that include specialised tasks and functions in the aged care sector. Job roles at this level are likely to be required to demonstrate leadership and have some responsibility for small teams, meeting performance targets and proactively contributing to service improvements.

Course Delivery

This qualification is delivered using a range of learning and assessment strategies.

Students will attend face to face/virtual classes and engage in a range of activities including;

- educator led practical sessions
- specialist guest speakers and
- assessments such as; role-plays and simulations.

Work Placement

To successfully complete this qualification, you will complete a minimum of 120 hours work placement. This will be arranged at an IRT or affiliated aged care centre.
