Course Description

This qualification reflects the role of individuals in the community, home or residential care setting who work under supervision and delegation as a part of a multi-disciplinary team, following an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason.

Entry Requirements

There are no entry requirements or pre-requisites applicable to this course.

Work Placement

To successfully complete this qualification, students are required to complete 120 hours of industry work placement. This will be arranged at an IRT Academy partnered aged care centre.
