

HLTAID011 Provide First Aid

HLTAID009 Provide Cardiopulmonary Resuscitation

Be confident of your skills in any situation

First aid training has been compulsory education for thousands of workers for many years.

Our team are experts in the clinical and community services fields.

This combined online and practical workshop course develops your first aid skills so you are equipped to:

- respond in an emergency situation
- apply appropriate first aid procedures
- communicate details of an incident.

Talk to us about this exciting opportunity today!
